Re: Membership Renewals  
Date: December 30, 2009

In the past, all MACDL memberships were billed on the first of the year. Over the past year or so, we have begun to peg membership renewals on the actual “join date”.

Actual renewal dates may be staggered somewhat, due to late payments, processing delays, lapses in membership etc., but for the most part they will still fall on or about the first of the year.

I am hopeful that over the next several months we will enable credit card payments, so that you can complete the renewal process on-line. For now, however, we ask that you continue to mail your dues to MACDL at Box 473, 321 Walnut St., Newton, MA. 02460.

You may receive a billing notice along the way about renewing on-line. Although you may update your profile and record your intention to renew, it will not yet be possible to complete the payment on-line.

As always, thank you for continuing to support MACDL with your membership and involvement.
